Please note: There is some flexibility in the dates for which you will work. Depending on session enrollment, staff members may or may not work all sessions in a particular track. **Be prepared to discuss availability.**

\*When working a track that requires travel between two different sites, an allowance will be provided. This travel allowance is to be used towards travel to the second site, travel back to the original site, and food costs. You will receive your entire travel allowance on day five of training. We have a travel agent available to help book tickets should you need assistance. You will be asked to check-in to the new housing site the night before the session begins for dinner and a quick orientation.

\*\*Housing is also provided between sessions for those residing outside of a fifty (50) mile radius of the program site, unless otherwise indicated.
